Property Description:

If you're looking for an immaculate move-in ready house with 2,400 sq. ft. of interior space centrally located with a lovely garden & pool ... you've found it!

Cardinal Crest impresses from first sight. As you enter the front door you're introduced to a 22' double height foyer filled with space & light. This flows into an open plan living room with high ceilings, a fireplace & French doors for easy access to the fully fenced garden. The spacious dining room also has French doors leading to a covered pagoda patio.

The large kitchen with numerous cabinets, ample granite counter space, new appliances & centre island perfect for engaging with guests while entertaining.

The exterior includes a garden, pool & covered patio for relaxing & get togethers.

The upper level includes an ensuite principle bedroom with a walk-in wardrobe & large ensuite bathroom with double vanities, deep soaking tub & separate shower.

The guest bathroom also has a tub & shower & is adjacent to the guest bedroom with good sized wardrobe.

From the front entrance, the driveway leads into a spacious garage with interior access to the mudroom. Off this space there's a large laundry room with storage. The mudroom leads into a kitchen for easy access with the groceries. There's a powder room off the foyer & great storage under the stairwell.

The house has lots of interior storage & ceiling fans & A/C throughout.

Situated on a quiet road of only four houses & a short walk to schools, grocery store & the bus...it's got it all!
