Property Description:

If you've dreamed of living next to a beach this is the home for you. Literally steps from your porch & your toes are in the sparkling clear azure water!

One of only 5 units, the layout of this unfurnished condo is very well thought-out. Enter into the large kitchen with plenty of cabinets, counter space & stainless steel appliances. (Powder room & laundry area also on this level).

This leads into the open plan dining & living room, fully tiled & with end unit windows, making it light & bright. Step through the French doors onto a good sized patio overlooking the ocean. There's a garden area & a few steps down to the beach.

On the upper level are 2 spacious bedrooms both with large closets and two full bathrooms. The principle bedroom also has a balcony with stunning ocean views.

Very large storage area tucked under the stairs, great for suitcases etc.

Air Conditioning & ceiling fans throughout.

Small pet permitted.
